1. Terms and Conditions. The terms and conditions contained in this document entitled “Terms and Conditions of Sale” (“Terms and Conditions”) cancel and supersede any and all terms and conditions pertaining to parts and equipment (respectively, “Parts” and “Equipment”) and services sold by Seller to the Buyer thereof (“Buyer”), and any supplements thereto previously issued by Seller to Buyer, and are subject to change without advance notice. The prices, charges, discounts, terms of sale and other provisions referred to or contained in these Terms and Conditions shall apply to all Parts, Equipment, and services sold by Seller to Buyer (collectively, “Products”) and shipped to Buyer on and after January 2017 and shall remain in effect unless and until superseded in writing by Seller. Acceptance of an order for Products by Seller shall be deemed to constitute a binding agreement between Seller and Buyer pursuant to the terms and conditions contained in these Terms and Conditions and Buyer agrees that such order may not thereafter be cancelled, counterraded or otherwise changed without the prior written consent of Seller. These Terms and Conditions supersede any prior agreements, representations or other communications between Seller and Buyer relating to the subject matter set forth in these Terms and Conditions. No other terms and conditions shall apply including, but not limited to, the terms of any purchase order submitted to Seller by Buyer, whether or not such terms are inconsistent with, conflict with or are in addition to the terms and conditions set forth in these Terms and Conditions. Seller’s acceptance of Buyer’s purchase order or other similar document pertaining to the sale of Products from Seller to Buyer (each, a “Purchase Order”) is conditional upon Buyer’s acceptance of all the terms and conditions contained in these Terms and Conditions. Any communication construed as an offer by Seller and acceptance thereof is expressly limited to the terms and conditions set forth in these Terms and Conditions.

2. Quotation and Prices. Written quotations automatically expire thirty (30) calendar days from the date issued unless sooner terminated by notice. All published prices and discounts are subject to change without notice. Unless Seller specifically agrees to hold prices open for a length of time on Seller’s price quotation, all prices are subject to change without notice to Buyer and any unshipped balances on Purchase Orders will be invoiced to and paid by Buyer at Seller’s prices in effect at the time of delivery. Any addition to or an outstanding Purchase Order will be accepted at prices in effect when the addition is accepted in Seller’s sole discretion. Prices on Purchase Orders in effect for over 30 days are subject to being changed by Seller.

3. Terms of Payment. Payment in full by the Buyer is due thirty (30) days from the date of Seller’s invoice, unless otherwise specified on the invoice. If, in Seller’s sole judgment, the financial condition of the Buyer does not justify continuation of production or shipment on the terms specified herein, Seller may cancel any unfulfilled orders from the Buyer or parts thereof and/or require immediate payment for all goods delivered and/or full or partial payment in advance for all goods not delivered, at Seller’s sole option. In the event Buyer fails to pay any invoice of Seller when due, Seller shall have the right to retain all Buyer’s patterns in Seller’s possession and to sell or use the same to liquidate the debt. A charge of the lower of 1 ½% per month or the highest legal rate will apply to all invoices exceeding our 30 day net terms.

4. Taxes and Duties. Prices quoted do not include taxes or duties of any kind or nature. Buyer agrees that it will be responsible for filing all tax returns and paying all applicable taxes, duties, export preparation charges and export documentation charges resulting from the purchase of the Products. In addition, in the event any other similar tax, duty or fee is determined to apply to Buyer’s purchase of any of the Products from Seller, Buyer shall indemnify and hold Seller harmless from and against any and all such other similar taxes, duties and fees. All prices quoted are in U.S. DOLLARS unless otherwise specified. The amount of any present or future taxes applicable to the sale, transfer, lease or use of any of the Products shall be paid by Buyer or, in lieu thereof, Buyer shall provide Seller with a tax exemption certificate satisfactory to the applicable taxing authority proving that no such tax is due and payable upon such sale, transfer, lease or use.

5. Title, Property, Risk and Delivery. Unless otherwise stated in writing, the risk of loss or damage to the Products shall pass to Buyer on delivery F.O.B. at the Seller’s plant. As security for payment of the full purchase price, legal and equitable title in the Products shall not pass to Buyer until receipt by Seller of payment in full for the Products. Buyer is authorized to use the Products in the ordinary course of business or sell the Products to a third party. The entire proceeds of any sale or disposition of the Products shall be held by Buyer in a fiduciary capacity for Seller. Until receipt by Seller of payment in full, Buyer shall hold the Products in a fiduciary capacity as bailee for Seller and insure the Products for their full replacement value against all risks. Buyer’s right to possess and sell the Products shall automatically terminate if Buyer becomes insolvent or the subject of any bankruptcy, insolvency or similar proceedings; makes an assignment for the benefit of creditors; or is unable to pay its debts as they become due. Upon termination of the right to possession, Seller and its representatives may at any time enter the premises of Buyer or parts thereof and/or may require immediate payment for all goods delivered and/or full or partial payment in advance for all goods not delivered, at Seller’s sole option. Claims for shortages in shipments shall be deemed waived and released by Buyer unless made in writing within five (5) days after Buyer’s receipt of shipment. If Seller delivers more than ten percent (10%) more or less than the quantity of Equipment, Parts or other goods ordered by Buyer, Buyer shall not be entitled to reject any or all of them on the ground of surplus or shortfall and shall pay for such Equipment, Parts or other goods Seller’s applicable price adjusted pro rata. Seller’s responsibility for shipment shall cease upon delivery of the Products to the place of shipment, and all claims occurring thereafter shall be made to or against the carrier by Buyer.

6. Cancellation. Prior to delivery of Products to place of shipment, a Purchase Order may be cancelled or modified only with Seller’s prior written consent and upon terms indemnifying Seller from all resulting losses and damages. Seller shall have the right to modify, cancel and/or refuse to complete a Purchase Order for any or no reason, including without limitation if any term or condition contained in these Terms and Conditions is not complied with by Buyer, or if Buyer becomes insolvent, files a petition for bankruptcy, or commences or has commenced an action relating to bankruptcy, receivership, reorganization, or assignment for the benefit of creditors. In the event of cancellation by Seller, or in the event that Seller consents to a request by Buyer to stop work or to cancel the whole or any part of any Purchase Order, Buyer shall reimburse Seller as follows: (i) any and all work that can be completed within thirty (30) days from date of notification to stop work on account of cancellation shall be completed, shipped and paid in full; (ii) for work in progress and any materials and supplies procured or for which definite commitments have been made by Seller in connection with the Purchase Order, Buyer shall pay such sum as may be required to fully compensate Seller for actual costs incurred, plus twenty percent (20%) and (iii) Seller reserves the right to alter the Product without notice to Buyer if the change does not affect the design, form, fit, or function requirements for such Product. Buyer may not under any circumstances cancel any Purchase Order after Seller’s delivery to place of shipment. Orders for “Special” Products may not be cancelled after acceptance by Seller, except by Seller. Items of “Special” Products are those that differ from standard Seller specifications, have a limited market or incorporate specifications that have been determined for a specific application. Determination of whether a Product or part thereof is “Special” shall be made by Seller in its sole discretion.

7. Inspection and Acceptance of Products. Buyer shall inspect the Products immediately after receipt and promptly but, in no event later than thirty (30) days after receipt, notify Seller in writing of any non-conformity or defect. Buyer further agrees that failure to give such prompt notice or the commercial use of the Products shall constitute acceptance. Acceptance shall be final and Buyer waives the right to revoke acceptance for any reason, whether or not known by Buyer at the time of such acceptance. The provisions of Seller’s warranty shall apply and govern the rights, obligations and liabilities of Seller and Buyer with respect to such nonconformity or defect, provided that under no circumstances shall rejection give rise to any liability of Seller for incidental or consequential damages or losses of any kind.

8. Warranty. Seller warrants that each new product manufactured and sold by Seller will, on the date of shipment, be free from defects in material and workmanship under normal use and service. All warranties, whether express or implied thereafter (collectively called “Warranties”), shall extend only to the Buyer and no others. Warranties are valid only when and if (a) Seller receives prompt written notice of the defective goods no later than thirty (30) days after the date of shipment, (b) the defective goods are properly packed and returned to the Seller (transportation and insurance prepaid), (c) the goods are returned to the Seller within sixty (60) days from the date of shipment, and (d) Seller determines, in its sole judgment, that the goods are not defective and not subject to misuse, neglect, improper installation, negligence, accident or (unless authorized in writing by Seller) repair or alteration. Seller’s exclusive liability for any personal and/or property damage (including, direct, consequential or incidental) due to any defect in the goods, shall be limited to the following (a) repairing or replacing (in Seller’s discretion) any defective goods free of charge (i.e., Seller’s plant) and/or (b) crediting (at Seller’s sole discretion) all or a part of the purchase price. Seller is not responsible for machine work, welding, inserts or chillis furnished by Buyer, labor charges or any other losses caused by defective goods. **S**ELLER **D**OES **N**OT **W**ARRANT **M**ECHANTIBILITY **O**F **G**OOD **S** OR **P**ARTS THEREOF NOT MANUFACTURED BY SELLER. THERE ARE NO WARRANTIES OF FITNESS OR WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION OF THE FACE HEREOF OR BEYOND THE TERMS AND CONDITIONS CONTAINED HEREIN.

9. Remedies for Breach of Warranty. In the event of any breach of the warranty by Seller, Seller’s liability shall be limited exclusively to the remedies of repair, replacement, or reperformance (at Seller’s sole discretion) of any defective product covered by the warranty.

10. Limitation of Actions. Any action by Buyer for breach of these Terms and Conditions or otherwise related to any Purchase Order must be commenced by Buyer within one (1) year after the cause of action has accrued.

11. Specification Changes. In the event that Seller incurs additional expense because of changes in specifications or drawings previously approved by Buyer, or in the event that Seller is required to modify the ordered Product, perform any additional work or supply any additional Products, the additional expense shall be added to the purchase price. Seller shall have the right, in its sole discretion, to accept or reject any changes in specifications requested by Buyer. In no event shall any changes in specifications be made or accepted thirty (30) days prior to the shipment date or thereafter.

12. Insurance. Until the purchase price of the Products is paid in full, Buyer shall provide and maintain insurance equal to the total value of the Products delivered hereunder against customary casualties and risks including, but not limited to, fire and explosion, and shall also insure against liability for accidents and injuries to the public or to employees, in the names of Seller and Buyer as their interest may appear, and in an amount satisfactory to Seller. If Buyer fails to provide such insurance, Buyer shall promptly notify Seller therein in writing so that Seller may provide such insurance and, in the event that Seller does so, the cost thereof shall be added to the contract price. All loss resulting from the failure to effect such insurance shall be assumed by Buyer.

13. Patents, Copyrights, Trademarks, Confidentiality. No license or other rights under any patents, copyrights or trademarks owned or controlled by Seller or under which Seller is licensed are granted to Buyer or implied by the sale of Products hereunder. Buyer shall not identify as genuine products of Seller Purchased hereunder which Buyer has treated, modified or altered in any way, nor shall Buyer use Seller’s trademarks to identify such Products; provided, however, that Buyer may identify such Products as utilizing, containing or having been manufactured from genuine products of Seller as treated, modified or altered by Buyer or Buyer’s representatives, upon written prior approval of Seller. All plans, designs, drawings, blueprints, photographs, manuals, specifications and other documents relating to the business of Seller (“Information”) shall be and remain the exclusive property of Seller and shall be treated by Buyer as confidential information and shall not be disclosed, given, loaned, exhibited, sold or transferred to any third party without Seller’s prior written approval; provided, however, that those restrictions shall not apply to Information that Buyer can demonstrate: (i) at the time of disclosure, is generally known to the public other than as a result of a breach of these Terms and Conditions by Buyer or (ii) is already in Buyer’s possession at the time of disclosure from a third party having a right to impart such Information. Buyer shall not use any of the Information for any purpose other than to enable it to perform its obligations under these Terms and Conditions. The obligations contained in this section regarding confidentiality and use of the Information shall survive the expiration, termination or fulfillment of these Terms and Conditions.

14. Patent Indemnity. Buyer shall indemnify, defend, and hold Seller, its affiliates, and its and their respective directors, officers, employees, representatives, agents, customers, users, successors, and assigns harmless against all damages, costs, and expenses, including all attorneys’ fees, paid or incurred in connection with any claim whatsoever arising out of or related to Buyer’s specifications for the Products, including without limitation any claim of infringement of a patent, copyright, trademark, trade secret, or other proprietary right.

The provisions of this Section are in addition to any other rights or obligations set forth in these Terms and Conditions and shall survive the expiration, termination or fulfillment of these Terms and Conditions.

20. **Construction and Severability.** These Terms and Conditions constitute the entire agreement between Seller and Buyer regarding the subject matter of these Terms and Conditions and shall be construed and enforced in accordance with the laws of the state in the United States of America in which Seller’s principal place of business is located, without regard to its conflict of laws provisions or rules (the “Governing Law”). The Governing Law shall apply to any and all disputes, claims, or controversies between the parties, including, but not limited to, those arising out of or relating to these Terms and Conditions or the transactions contemplated hereunder. Any purported assignment or delegation in violation of this Section will be void. Seller may assign these Terms and Conditions or any Purchase Order and any of Seller’s rights thereunder and delegate any of Seller’s obligations under thereunder. If Seller assigns these Terms and Conditions or any Purchase Order or delegates any obligations under thereunder (whether in whole or in part), Buyer shall, as relates to such part that was assigned or delegated, release Seller from all liability under these Terms and Conditions or any Purchase Order and hold the assignee solely responsible for performance of all such obligations.
